OUR STORY ...

The Aleethia Foundation is a 501(c)(3) Corporation (Tax ID #51-0529300) which was founded to support the newly injured service members recovering at Walter Reed Army Medical Center and National Naval Medical Center.

Aleethia provides "Friday Night Dinners" which were originally started in October 2003, at Fran O'Brien's Steak House, to provide a social environment and a night away from the hospital. Also, *Aleethia* has provided support and small grants to the injured service members. *Aleethia* continues to operate on an all-volunteer basis...no paid staff.

Washington Golf & Country Club members have hosted several "Friday Night Dinners" since 2008 and have supported many of our programs. We greatly appreciate the use of WGCC golf course for our first golf tournament.
